

## Lickey Hills Primary School & Nursery Governing Body Questionnaire

Last year, we asked parents to complete a questionnaire. We listened to the feedback and comments and have used this to inform the strategic direction of the Governing body. This year we are asking similar questions so we can gauge whether our actions have had an impact in the right places.

Please provide as many comments as you can as we are really interested to hear your views and opinions. Use additional pages if necessary or please ask to speak to a Governor.
