

Lickey Hills Primary School & Nursery

dream together • believe together • achieve together

16th April 2018

Dear Parents and Carers,

We are running our final parent workshops for this year in:

- Reading and Phonics (Thursday 26th April from 2-3pm)
- Writing: spelling, punctuation and grammar (Thursday 3rd May from 2-3pm)
- Maths (Thursday 10th May from 2-3pm)

These sessions are repeats of the ones we have shared in the autumn and spring term however you are welcome to join us again as there are updates to include.

Why should you attend?

Here's some feedback from parents who have ...

I'm am aware that parental engagement in a child's education is crucial for helping them to do well at school. The workshops have taught me how to do this and I'm already seeing the benefits!

I understand better how the children learn to read now so I can support my daughter when she gets stuck on a word and I know the strategies she has to work it out by herself.

Maths is taught so differently now (certainly for the better!) The workshop has definitely helped me to understand this and I've certainly noticed I can help my daughter to engage with her maths homework more enthusiastically. I wish I'd been to the workshops earlier in my daughter's time at Lickey!

I love the school's ethos that 'everyone can do maths' and will make sure my kids never hear me say 'I'm not good at Maths again'. I don't want to put them off or make them think it's beyond them. They love the new maths books!

There's a lot of parenting classes when you have a new baby, but nothing for when they start school. These workshops have definitely helped me to navigate the next part of my child's journey.

***Parents of pupils with Special Educational Needs (SEN) - Wednesday 2nd May from 6pm**
there will be a SEN workshop evening to update you on our school's progress with SEN provision and what you can expect as a parent.

I look forward to welcoming you to our summer term workshops.

Yours in learning,

Miss A.L. Salisbury
