dream together • believe together • achieve together

LHPNS Fund Raising for Birmingham Children's Hospital on behalf of Oliver Portman and Family.

3rd May 2018

Dear Parents and Carers,

I am writing to thank you for your kind and generous donations to the school Just Giving Page for Birmingham Children's Hospital on behalf of Oliver Portman and family. The school community has now raised over £2,000 which easily surpasses the original target of £1,000. This weekend a number of staff and a governor representative along with Mr Portman are participating in the Simply Health Birmingham 10k. Everyone has been training hard and are looking forward to their sprint/jog/stroll/dawdle around the course. It would be great if you could cheer them along the way, I know a few of you plan to be there.

The children will be participating in a fun run for BCH on June 6th organised by our upper KS2 pupils and sports ambassadors. The Just Giving page will still be open at this time for your messages and donations.

The Portman family and Oli have this message for you: *All the staff and families of LHPNS have been so very supportive of us throughout this very difficult time. Oli has received lifesaving treatment from Birmingham Children's Hospital (BCH) and will continue to do so for the next 3 years. I imagine a number of families in our community have used the services of BCH at some point and ask you to support "Team Lickey" with their 10k Birmingham run and say a massive thanks to BCH for all they have and continue to do.*

Many thanks to our runners for being great role models for our children and a special thank you to Mrs Brooks 5SB for encouraging the staff to join in. I know you will share with me in wishing them all a successful day and an injury free return to school on Tuesday.

Yours in cheering and flag waving (no I'm not running, but someone much fitter is running on my behalf!)

Miss Salisbury
Headteacher
