

This structured approach may help you:

1. Look at the word and say it aloud
2. Read each letter of the word
3. Close your eyes, try to picture the word and spell it to yourself
4. Look at the word again? Did you get it right?
5. Copy the word, saying each letter as you write
6. Cover the word and write it out
7. Did you spell it correctly? If not go back to step 1.
