Lickey Hills Primary School & Nursery School Newsletter

This week's total school attendance is 94.4%

Dear Families,

I have been in several classrooms this week observing lessons to ensure our new LHPSN curriculum is being taught as we planned, it has taken almost two years to develop our bespoke curriculum, so it's good to see the staff and pupils in action. It has also been wonderful to see some excellent attitudes to learning as well as so much enthusiasm for history, geography, RE and maths. I have been delighted to hear how much the children have learned and remembered already, as our curriculum aim is that our children know more, remember more and are able to do more. In assemblies and class we have been thinking about our learning behaviours, I have seen some excellent examples in class; perseverance, cooperation, curiosity, independence and respect. The children have been reminded how important it is to show respect to all members of the school community, each other, all adults in school and their family. Year 3 and Year 4 gave some super suggestions reminding us all that we should have good manners and behaviour all the time for everyone - even though we sometimes find that hard to do.

Year 5 and Year 6; you may like to wear waterproof shoes to school and bring your black school shoes in a bag (or leave them at school) as the field is very wet at this time of year. Playtimes and lunchtimes have moved back onto the playground but accessing and leaving your classrooms still needs to be via the fire doors on the field area. We are saving hard to have a path built especially for you.

As always, have a lovely weekend everyone and I look forward to seeing your children and you on Monday.

Yours in Learning

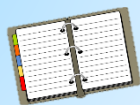

Miss A Salisbury
