

dream together • believe together • achieve together

# Lickey Hills Primary School & Nursery School Newsletter

## Friday 26<sup>th</sup> November 2021

***This week's total school attendance is 95.09%***

Dear Families,

This week we welcomed 4HR's class assembly and their parents. The children shared the legacy of Wangari Maathai, the first African woman to win the Nobel peace prize. The children were inspired by her mission to save green land and as a result over 51 million trees have been planted since her Green Belt Movement started in 1977. 4HR also reminded us of the wonderful legacies the Ancient Greeks left behind in their class assembly today. It was lovely to be able to welcome family members into school and to see the children share their History learning with great confidence and knowledge. Thank you Miss Reeves and Mrs George for inspiring our children in their learning and thank you 4HR for sharing your singing, thoughts on great philosophers and reminding us how much the Ancient Greeks have impacted on our own lives today. It led us to consider what legacy we might want to leave and reminded us to 'dream' and 'believe' because we know perseverance and determination can lead to great things.

Last week, with your kind donations, the school raised £450 for Children In Need. The children had a fun day achieving their challenges... Mount Everest was conquered, Early Years and the Main Building were successfully bridged by a paper chain and everyone contributed to our whole school story below, which was created class by class. I hope you enjoy reading it.

Finally, an appeal for your help. Year 5 have been learning about Judaism, the Jewish faith, this term and discovered many differences and similarities with other faiths we study. To conclude this part of their learning we are hoping to take them to a synagogue where they can see the religious artefacts and experience a Jewish place of worship first hand. To complement this, I wondered if any of you would be able to put us in touch with any Jewish friends or family who would be willing to come into school and talk about their faith for 10-15 minutes and take questions from our Year 5 children. If so, please do contact me at [office@lickeyhills.worcs.sch.uk](mailto:office@lickeyhills.worcs.sch.uk)

Yours in Learning

Miss A Salisbury

Headteacher

### A Lickey Story

Once there was a group of weird but wonderful Pudsey bears who lived in the fantastic Lickey Hills but they faced a problem. The issue they faced was that their habitat was in danger because the evil, roaring winds were making the trees fall down. Violently, the winds came from a big, bad wolf who wanted to eat the bears. So, every day the bears lived in fear. They escaped from the wolf and they hid from bear hunters. The bears ate one hunter wildly but the wolf decided to chase them until it caught the bears. The wolf ate one little bear. Then the wolf ran to a nearby den. The bears happened to go to the den. The wolf didn't know what to do but he knew he wanted to eat the bears because he likes bones, fur, brains and guts.

The bears were excellent at hearing, running and hiding from the big, bad wolves. They were naughty, so they ran up the tallest tree. The tree was humongous, scary and frightening so it was cut down. The bears jumped off into a hole then the fat bears climbed up

Lily the Princess was in her castle. She saw the wolf and caught it and Princess Lily danced like a pizza. Holding tomatoes in her basket, she cartwheeled stupidly over The Hill and fell off the cliff painfully. She survived.

The bears happily lived in the woods until they saw the wolf and nearly got caught by a hunter. "Aaah!" screamed the bears. They ran or danced in the woods. They couldn't move at all but stayed brave and kept away from the wolf. They ran faster and panicked and panicking makes them frightened. The wolf howled as loud as a siren.

Then. He. Fell...

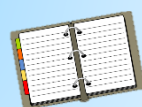

The wolf fell into a big hole under the sea but he swam to an island where dinosaurs lived! Then with a rope, he climbed up a ladder to the top of a tree to make a house with a lava-gun. Quickly, he had fired at the bears. Next they fell down in the hole. The wolf fought Princess Lily in her castle. She was scared and wanted to escape, finding a forest. Then the princess got hurt. The bears were saved because of the princess. The bears turned on the wolf. The wolf ran away and the princess had medicine and was fine.

A pirate ship saved the bears and raised an anchor and sailed back to the beach. The pirates fired the coconuts and bonked the wolf on its head. The wolf fell into the sea because it slipped when a big wave pushed him over. He fell to the bottom of the sea and then got eaten by the shark.

Later, the yellow bears had a good lunch. They had: Meat, croissants, porridge, chocolate and orange juice. "Have a good night," said Bouncy Bear. Mommy bear put baby bear in the bed. Mommy bear heard the baby crying. Mommy bear hugged him and sang a lullaby. Baby bear went to sleep. Mummy bear rocked the other babies to sleep. And they lived happily ever after!

### Dates for Diary

- 07.12.21 - End of Parents Evening
- 09.12.21 - Songs around the Christmas tree - RJR - 2:45pm
- 10.12.21 - Songs around the Christmas tree - NURS - 9:00am
- 10.12.21 - Songs around the Christmas tree - RKG - 2:45pm
- 13.12.21 - Wriggly Nativity - 1HB - 2:30pm
- 13.12.21 - Wriggly Nativity - 2HB - 6:30pm
- 14.12.21 - Wriggly Nativity - 2SH - 2:30pm
- 14.12.21 - Wriggly Nativity - 2SH - 6:30pm
