

## What your child needs to wear for Forest School (NOVEMBER to APRIL)

- Long sleeved top as underlayer
- Jumper/jersey/fleece/hoodie as warm layer
- Trousers - joggers or waterproof trousers with an underlayer are ideal (NO JEANS please)
- Wellies/walking boots - footwear that is waterproof is essential as our field is very boggy (\*NO trainers please). I would suggest these are brought in separately in a plastic bag and changed into at the end of lunchtime.
- Gloves
- Thick, warm socks or double up socks. A spare pair of socks to change into is often appreciated at the end of the day.
- Woolly hat (a baseball cap can be better in wet weather)
- Waterproof, warm coat (preferably with a hood)
- NO SCARVES please - these can pose a hazard during our activities

## What your child needs to wear for Forest School (MAY to OCTOBER)

- Long sleeved top (arms must be covered)
- Trousers - joggers are ideal (legs must be covered, NO JEANS please)
- Trainers/walking boots/wellies - old trainers will probably suffice but after a long period of wet weather our field can get quite boggy, so please consider wet weather footwear even if Monday is forecast to be dry. I would suggest these are brought in separately in a plastic bag and changed into at the end of lunchtime.
- A hat to keep sun off
- Sunscreen
- Waterproof jacket (preferably with a hood)

If you have any old clothes / wellies / waterproofs that you no longer need and which would fit a Year 6 child, we would be extremely grateful for any donations that we can use as spare kit.
