

Lickey Hills Primary School and Nursery
Looked After Children Policy
September 2022/23

Legislation and Statutory Guidance

This policy is based on the Department for Education's statutory guidance, *Keeping Children Safe in Education 2022* and *Working Together to Safeguard Children 2018*. We comply with this guidance and the procedures set out by our local safeguarding children board.

This policy is also based on the following legislation:

The designated teacher for looked-after and previously looked-after children [2018](#) Promoting the education of looked-after children and previously looked-after children [2018](#)

From 1 September 2009 the governing bodies of all maintained schools have been required under the Children and Young Persons Act [2008](#) to appoint a designated teacher (DT) to promote the educational achievement of children in care who are on the school roll

Introduction

The governing body of Lickey Hills Primary School and Nursery is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. This governing body recognises that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is dedicated to implementing the principles and practice of the above statutory guidance. As a school community we are aware that Looked after children constitute a group in the sense that they may share that they may share common backgrounds and experiences, they are also individuals and members of other groups. We will take this into account when planning to meet their needs and avoid any action that may lead to singling these children out from their peers.

Looked-After Children (LAC) and Previously Looked-After Children (PLAC) may (or may not) have some or all the following issues:

- Low self esteem
- Poor education standards due to time out of school
- Delayed social/emotional/cognitive development
- Bullying (either victim or perpetrator)
- Prone to mental health issues
- Isolated with few friends
- Behavioural difficulties poor attachments to others
- A need to be very private

This makes them an extremely vulnerable group in terms of education and future life chances. The governing body of LHPSN is committed to ensuring that these children are supported as fully as possible.

Aims

At LHPSN we will do for Looked-After Children (LAC) and Previously Looked-After Children (PLAC) what we do for all children, only more so. We aim to ensure that LAC and PLAC excel, as we aim for all children to excel. We aim to overcome their barriers to learning and enable them to leave us happy and secure in themselves, and also to understand that they have control over their futures and that education does matter. We will listen to what LAC and PLAC tell us about what they want from their education, and we will try to address any concerns or issues raised through various means including the school's Student Council and surveys. Lickey Hills Primary School and Nursery strives to ensure that the culture and ethos of the school are such that, whatever the heritage and origins of members of the school, pupils are provided with the opportunity to experience, understand and celebrate diversity.

Objectives

LHPSN will support LAC and PLAC by:

- Ensuring an effective induction for the child & carer when joining the school, or for the carer when a child who is already on the school roll comes into care
- Balancing high levels of teaching and learning support with academic challenge
- Ensuring that each child has a high quality Personal Education Plan (PEP)
- Linking each child to a key person they relate well to
- Making it a priority to know the children well and to build strong relationships
- Developing strong relationships with carers, local authorities (including the Virtual

School Head (VSH)) and specialist agencies

- Encouraging LAC and PLAC to take responsibility for their learning, and giving them the necessary support
- Engaging LAC and PLAC in learning, outside the classroom and in after-school activities intervening promptly if a problem emerges (e.g. behaviour or attendance) Ensuring LAC/PLAC get priority places to after school clubs, events and trips as well as access to the school before and after school club for further opportunities for social and emotional development.
- Giving integrated but low-profile support in school to each LAC and PLAC so that they are not made to feel different from other children
- Planning for future transitions (e.g. to secondary school).

- To understand both what a PEP is, and its importance in helping to create a shared understanding between teachers, carers, social workers - and, depending on age and understanding, the child him or herself - and an understanding of what everyone needs to do to help the child's achieve his or her potential

Confidentiality

Information on LAC and PLAC will be shared with school staff on a "need to know basis".

The Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

Personal Education Plans (PEPs)

All LAC must have a care plan drawn up and reviewed by the Local Authority that looks after them. The care plan must include a Personal Education Plan (PEP); this forms part of the child's official school record. The school and the Local Authority have a shared responsibility for making sure that the PEP is a useful document. There will be discussion about how the child, the school and the Local Authority can together ensure that through the content, implementation and review of the PEP, the child achieves well. These meetings will involve the young person concerned, the parents/carers, the social worker, a teacher and other professionals, as appropriate. If the child has a Statement of Special Educational Needs, this should be reviewed annually and should, where possible, tie in with the

PEP.

Admission/Induction Arrangements

LAC and PLAC are a priority for admission and we follow the Local Authority's published admission criteria. On admission to the school, parents/carers will meet with a member of the Senior Leadership Team about the school's expectations and processes, and the child will meet with the Designated Teacher for LAC and PLAC. The Designated Teacher will identify any relevant issues, academic or pastoral, and ensure the child feels supported in the school. Consideration will be given to giving the child a mentor.

On admission, records will be requested from the child's previous school, and as soon as practicable after they are received, a meeting will be held with the parents/carers, a social worker, other relevant professionals and the child, as appropriate, to put together a new PEP. This early meeting will ensure that communication systems are established from the outset. If records are not received promptly, we will undertake our own assessment to make sure that the teaching and support received are appropriate. We will endeavour to meet the statutory time scales for PEPs as outlined in guidance.

When children already on school roll enter care, the school will ensure that they meet the Designated Teacher as soon as possible, and that the child and his/her parents/carers are made aware of the school's procedures and additional support arrangements. A meeting with other parties will be arranged and a PEP will be prepared as soon as possible; we will follow the procedure adopted for those children at the school who are already in care. At the first PEP meeting, we will seek clarification from the social worker as to who requires school reports and who may give permission for school trips and other such activities. At this meeting all means of communication to aid the exchange of information between statutory meetings will be discussed and agreed; this might include a home/school book to detail any sudden significant changes in the child's circumstances. Many LAC and PLAC do not want school staff to be aware of their care status because it makes them feel 'different'. We will discuss this with the child, and agree who should be aware of his/her care status; however, we recognise that in some cases - for example, if the child has a severe learning difficulty - this may not be possible.

Specific Support

Additional funding - LAC and PLAC are entitled to additional funding to help improve their outcomes and narrow the gap between their outcomes and those of their peers. Eligibility for such funding and the sums of money available will be determined in line with government policy. The school is dedicated to ensuring effective use of this dedicated funding, where available, for all eligible LAC and PLAC on roll to provide additional, personalised support and ensure accelerated progress in order to improve outcomes. The appropriate use of allocated funding will be assessed by reference to the Personal Education Plan.

School Trips and Special Activities - We aim to ensure that LAC and PLAC enjoy as many extra-curricular opportunities as possible by reserving places for them on trips and other enrichment activities which they are eligible for and by allowing sufficient time to gain the necessary consent. Responsibility for giving permission for school trips and enrichment opportunities lies with the social worker, although this is often delegated to carers. The person who may give permission will be identified at the first PEP meeting. If there is any uncertainty, we will always send consent forms to the social worker.
