

around the head, down the body

down the person
and around the wheel

curl around the camel's back

over his back and around the tail,
up his neck and down to his feet

around the head and
down the trunk

over his ear, down to the tail
and across the jaw

two foxes facing forwards

start at his ear, around
the face and down the beard

from his head to his feet,
up and over his back

down her body, spot her idea

swoop down the tentacles
and dot the body

down the body,
up the arm, down the leg

the camel stood by the kid

down the long ladder

ladders in a line

meerkat, mound, mound

down the bird and over her nest

around the ostrich's body

down his body, around his face

around the feather
and down the pen

down her body, up over the arm

swerve around the snake

sunbathing snakes

down her body and
cross her shoulders

under and up the umbrella,
down to the tip

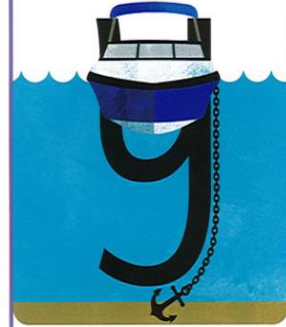

down the tongue, up the tongue

hop to the top,
land and hop, land and hop

x x x criss-cross the kiss

under the hull and
down to the anchor

zig and zag

a zigzag duet
