

What your child needs to wear for Forest School

Generally

- Trousers - joggers or waterproof trousers with an underlayer are ideal (NO JEANS please)
- Top as underlayer, preferably long-sleeved
- Old trainers/wellies/walking boots - These can be brought in separately in a plastic bag and left at school. Old trainers will probably suffice but after a long period of wet weather our field can get quite boggy, so please consider wet weather footwear even if our Forest School day is forecast to be dry. I would suggest these are brought in separately in a plastic bag and changed into at the end of lunchtime.
- Waterproof jacket (preferably with a hood)

Cold Weather

- Waterproof, warm coat (preferably with a hood)
- Jumper/jersey/fleece/hoodie as warm layer
- Gloves
- Thick, warm socks or double up socks. A spare pair of socks to change into is often appreciated at the end of the day.
- Woolly hat (a baseball cap can be better in wet weather)
- NO SCARVES please - these can pose a hazard during our activities

Hot Weather

- A hat to keep sun off
- Sunscreen
- Waterproof jacket (preferably with a hood)

If you have any old clothes / wellies / waterproofs that you no longer need and which would fit a Year 1 child, we would be extremely grateful for any donations that we can use as spare kit.
