

Curriculum Corner - Spanish

At Lickey Hills Primary School, we believe learning a language provides an invaluable social, cultural and educational experience to all pupils. It supports the development of key skills such as speaking, listening, reading and writing and extends the knowledge of how language patterns work. Learning another language also encourages children to further understand their own, and other's cultures, and deepens their understanding of the world. Below, you can see a snippet of the learning children have been getting up to in Spanish during the Spring Term. Mrs Trafford (MFL subject lead).

EYFS, Year 1, Year 2 and LB1

The Early Years, Year 1, Year 2 and LB1 children were very lucky to be able to take part in a flamenco dancing workshop. They counted to 6 in Spanish and learned a short dance routine. They were amazing!

Year 1, Year 2 and LB1

The Year 1, Year 2 and LB1 children have also taken part in a Spanish Easter afternoon. They created Easter pictures and eggs in Spanish and even had a visit from the Easter Bunny!

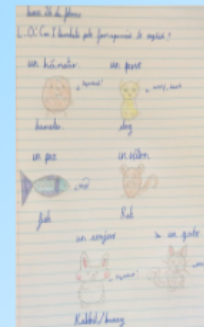

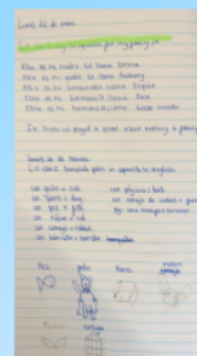

Year 3

In Year 3, the children have been learning how to say their name and some colours. They have also continued with their Pen Pal letters from and to Spain. The letters the children have recently written have been their families.

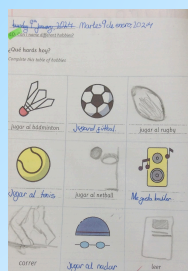

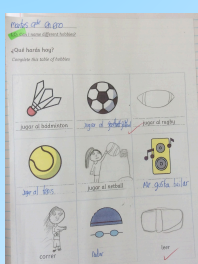

Year 4

In Year 4, the children have been learning how to talk about animals and their families.

Year 5

In Year 5, the children have been learning how to say the days of the week and to talk about their hobbies.
